2020 HuntingdonQuilt Show Registration Information

Anyone or group may enter a quilt/cloth item (2 layers of fabric fixed with stitching through all layers; a layer of batting may be included) by submitting a completed registration form and a \$2.00 entry fee for each item. Item is to have been constructed by the person(s) named as the quilt maker on the entry form. Items to be judged must have been completed after April, 2019.

Descriptions of entry categories, sizes and construction techniques are listed on this form. Persons will choose the category in which they wish their item to be judged. Persons may enter only one item per category/size to be judged. Other items may be entered for display only. If there is a question as to the category in which an item is to be entered, the Redbud Quilt Guild reserves the right to place an item in an appropriate category. This will be done at the time of registration. Ribbons for judged items will be awarded at the judge's discretion.

Antique/heirloom quilts and quilts not to be judged may be entered in the category "display only." Any information known about a family heirloom or antique quilt should accompany the item.

Any item to be shown should be free of stains, discolorations, soiling, and/or pet hair.

The Redbud Quilt Guild reserves the right to refuse a quilt.

Reasonable care will be taken to protect items submitted from accidents, loss, damage, or theft during the course of the event. The Redbud Quilt Guild and its members are not in any way to be held responsible for accidents, loss, or damage by water, fire, theft, or otherwise whatever may be the cause or extent of the damage or loss. By signing below, the exhibitor agrees to this prospectus.
